MUHAMMED JASEEL CA

PYTHON DJANGO DEVELOPER

Ernakulam,Kerala | mhdjaseel663@gmail.com |Linkedln | GitHub

SUMMARY

Iam Muhammed Jaseel, a dedicated and motivated Computer Engineering graduate with a strong foundation in computer science principles, programming languages, and software development. After completing my diploma, I have focused on self-learning Python and Django to further enhance my skills. I am passionate about leveraging technology to solve real-world problems and am actively seeking opportunities for an internship or work to apply my knowledge and continue my growth in the field.

TECHNICAL SKILLS

- **Languages:** python,JavaScript.
- **Frameworks:** Django,React js, Dajngo REST,Tailwind Css
- **Databases**:PostgresSQL,MySQL
- **Tools**:Git, Github

PROJECTS

Blog website
- Developed a responsive blog platform using HTML, CSS, JavaScript, jQuery, Bootstrap, Python, and Django, showcasing full-cycle web development.
- Implemented user authentication with secure registration, login, and session handling via Django's built-in auth system.
- Enabled CRUD functionality for blog posts and comments, allowing users to create, edit, delete, and interact with content and Deployed the application on PythonAnywhere
- Link: **https://mallucoder.pythonanywhere.com/**

E-Hospitality Management system
- Developed a full-stack Hospitality Management System using Django (REST Framework) and React, implementing JWT authentication, modular role-based access (Patient, Doctor, Admin), appointment booking, reschedule , cancel and doctor-issued prescriptions that are printable by patients.

EDUCATION

Diploma in Computer Engineering   Sep 2022 - March 2025
CGPA: 7.6

Higher Secondary
Commerce with computer Application   June 2020 - May 2022

LANGUAGES

- English : Read,Write,Speak
- Malayalam : Read,Write,Speak
